"The New Normal: Virtual Meetings, Vaccines, & Other Covid Protocols"

Many things have changed in the world over the past 18 months, and this is undoubtedly true for rules and protocols surrounding community association meetings, the use of common areas, and other Covid-related issues.

Topics covered in this presentation will include:

- Pros & cons of in-person vs. virtual meetings
- In-person meetings during Covid
- Vaccine-related questions
- Other "new normal" Covid-related issues that apply to community associations
